Ferroptosis: "Dye another Way"

Giorgia Federico

Department of Molecular Medicine and Medical Biotechnology

Lesson 1

Monday June 30, 15:00

The discovery of ferroptosis: a roadmap for a new form of regulated cell death

Lesson 2

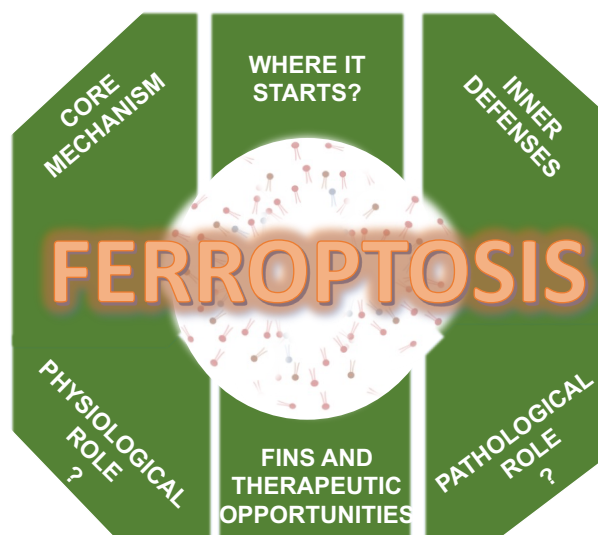

Tuesday July 1, 15:00

Ferroptosis: principal biomarkers and how to detect them

Lesson 3

Thursday July 10, 15:00

Ferroptosis in health and disease: journal club activity (student discussion focused on specific keynote ferroptosis articles)

Aula Seminari DMMBM - I piano Torre Biologica
